Salem High School Class of 2020 Scholarship Recipients,

Congratulations on your achievements! While many of the traditional graduation activities have been curtailed by the COVID-19 pandemic, your families, your community, and I are wishing you the best and want to recognize this important milestone.

For more than 100 years, the Salem High School Alumni Association has been awarding generous scholarships to graduating seniors, and this year is no exception. A total of 88 students from the Class of 2020 will be receiving more than \$300,000 in scholarships.

You are in good company. Scholarship recipients from your school have continued with their education and training and gone on to do great things, including giving back through the alumni association, which, through the years, has provided more than \$7.9 million to graduating seniors.

These are extraordinary times, and I am touched by the sacrifices that all of you are making to keep everyone healthy. While the world may seem upside down right now, this is only temporary. Better days are ahead.

Congratulations! I wish you the best as you continue with your education.

Very respectfully yours,

A handwritten signature in blue ink that reads "Mike DeWine".
